
Focus Area

- Social Enterprises whose activities generate positive social impact.

Requirements

1. Is determined to be, at NetSuite's sole discretion, a social enterprise.
2. May be organized as a for-profit entity or a charity.
3. Focused on automating their business process with NetSuite software.
4. Can clearly articulate their social impact and offer metrics to measure it.
5. Has the organizational capacity to implement NetSuite software and use it to accelerate their social impact, as measured by their metrics.

Deadlines

Awards are made on a rolling basis.

Selection Criteria

- Is the applicant is qualified?
 - NetSuite does not grant to individuals.
 - Primary purpose is non-religious, non-political. Organization is not primarily a professional or trade association.
 - Group does not discriminate on the basis of race, ethnic or national origin, religious affiliation, gender, sexual orientation, age, disability, physical appearance, language, educational background or veteran status.
- Are the applicant's goals are achievable?
 - Automation of a single, achievable business process. Projects focusing on ecommerce, accounting, and/or fundraising/donor management are preferred.
 - Applicant understands NetSuite software and how it can fit their needs.
- Does the applicant generate significant social impact?
 - Applicant clearly articulates their social impact and offers at least one metric.
- Does the applicant have sufficient organizational capacity?
 - Applicant demonstrates the knowledge, staffing and willingness to allocate the resources required to implement an integrated, web-based ERP/CRM system.
- How big a difference does the donation make?
 - A donation can increase operational effectiveness leading to improved social impact.

Award

NetSuite.org donates software licenses. The standard donation includes a complete software package sufficient to run all aspects of a small charity:

- Full NetSuite software suite, 5 user licenses, silver support.
- NetSuite essentials training course.
- Implementation materials.
- Additional items and users may be purchased at a discount and/or may be donated.

Donation Terms

Grantees receive the standard donation at a 100% discount. Additional users and modules may be purchased at a significant discount tied to the grantee's annual revenue.

Discount Rates	Grantee Annual Revenue		
	\$0-2M	\$2-5M	\$5M+
First year, standard donation	Donated (100%)	Donated (100%)	Donated (100%)
Subsequent years, standard donation	Donated (100%)	80% discount	7.5% price cap starting at 50% discount
Additional Items	80% discount	50% discount	7.5% price cap starting at 50% discount

Additional items refer to add-ons, users and support only.

Renewal

Donations will automatically be renewed each year on the same terms as long as NetSuite Inc., in its sole discretion, determines your organization continues to meet the selection criteria under the grant program guidelines, you remain a registered charitable organization, the donation program remains in existence, and your organization actively uses your NetSuite account.
